

Technical Women's Organization (TWO) 2010/2011 Scholarship Award Winners

Karen Woodring, a TWO member award winner, is an Electronics Technician Instructor in AMA-411, Radio Frequency (RF) Concepts Section of AMA-400, Technical Operations Training Division, at the Mike Monroney Aeronautical Center, Oklahoma City, Oklahoma. Mrs. Woodring has been the Course Manager and Instructor of the Navigation Systems Concepts Course 41903 for the past 4 1/2 years of her 22 years of Federal Service.

Karen's career goal is to become a member of the FAA management team. To assist in reaching this goal, she is presently attending Oklahoma City Community College (OCCC) and will earn an Associates of Science degree in Business in May 2011. She then plans to transfer to a university and earn her Bachelor's degree. She is a member of the International Honor Society – Kappa Beta Delta, the Honor Society - Phi Theta Kappa and is on the OCCC President's Honor Roll.

Betty Stapleton, a non FAA award winner, is currently employed with Computer System Designers (CSD) and works full time at the FAA LSF Center in the Runway Antenna Department. She attends Redlands Community College, with plans to complete an Associates of Arts in General Studies. Ms. Stapleton plans to transfer to a four year college afterwards to pursue a degree in the Engineering field. She is a member of the Honor Society - Phi Theta Kappa and most recently made the Presidents Honor Roll. Her cumulative GPA is 3.8.

Betty is a member of the Fort Reno Chapter of the Daughters of the American Revolution (DAR) and volunteers her time for local community events as often as she can. She likes being outdoors and just relaxing. Her home is full of rescue pets, some of them with ages in their twenties. She is married and has one daughter.

Picture is of Betty Stapleton and her TWO Sponsor, Cathy Hedglen. She says "that without her, this would not have been possible".
